

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. During the year 1903 the BUDGET has enjoyed the advertising patronage of twenty-three Boston banks and trust companies, besides the advertising of many bankers and brokers. During the same year there were published more insurance companies' statements in the BUDGET'S columns than appeared in any other Boston Paper, daily or weekly. In addition to these customers, the BUDGET'S advertisers included nearly every retail house in the city and a large number of general advertisers throughout the United States, whose wares appeal to the refined home. Address for sample copies, the publishers, The BUDGET Company. Wm. Grant James, treasurer, Boston.

Card Etiquette.

The significance of a card is always considered by well bred men and women and its fitness to the occasion is an expression of its owner's individuality, in fact the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used, unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible, and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society, her name is engraved upon her mother's card. If she is the oldest unmarried daughter, she is appended as Miss Smith—otherwise her full name is given with the prefix of Miss.

When two daughters enter society together, it is proper for them to be mentioned upon their mother's card together, thus,

MRS. JAMES SMITH.

THE MISSES SMITH.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of its bearer should be written above that of the giver, prefixed by the word "Introducing" and

the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home."

Any invitation requesting your presence, requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS.

When attendance to a church wedding is impossible, cards must be sent in an envelope directed to those from whom the invitation comes.

If present at the church, it is polite to send a card or cards to those who invite.

CARD ETIQUETTE IN WASHINGTON.

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

His receptions are open to all.

Upon entrance you give your name to an usher, and are announced. You are then introduced to the President and members of the Presidential family.

It is proper to leave your card before your departure from the "White House."

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit—the Cabinet officer or the Senator.

Many yield this point to the Senator. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of United States Senators will hereafter call upon the wives of Foreign *Ambassadors*, while the wives of Foreign *Ministers* will make the first call upon the wives of Senators.

In all Society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.

CARDS FOR BALLS.

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions, of course, require exceptional cards; for such there can be no fixed rules.

INFANTS' CARDS.

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgement is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

WEDDING ANNIVERSARIES.

WOODEN—Five years married.

LINEN—Twenty years married.

TIN—Ten years married.

SILVER—Twenty-five years married.

CRYSTAL—Fifteen years married.

GOLDEN Fifty years married.

DIAMOND—Seventy-five years married.

Ladies will find a desk and writing materials always ready for their use.

Rsvp. (*Répondez, s'il vous plait.*)—*Please answer.*

Ppo. (*Pour prendre congé.*)—*To take leave.*

SEVEN IN ONE.

How many persons realize that with the constant growth and enlargement of our business we have now seven distinct departments, each one having a very large and wholly independent patronage, but all allied together making a unit for furnishing a residence complete, in perfect harmony.

These seven different branches of business are as follows:

(1) Regular furniture of every grade, (2) Draperies, (3) Rugs, (Oriental and Domestic), (4) Wall papers, (5) Sanitary Bedding, (6) Special work made to order, (7) Interior finish and Decoration.

In each of these lines you have the benefit of our one-price system, of our individual guarantee of every transaction, of our special artists, and of Canal Street prices. Once more let us remind you that Boston contains in this establishment, the largest retail furniture store in the world.

PAINE FURNITURE CO.,

48 Canal Street, Boston.

CHILD'S PLAY ROOM.

A complete line of Furniture for child life in the nursery, play-room, kindergarten and for every need and occasion.

Each piece is made on exact proportions but in reduced size. The seats, arms, backs and legs correspond to a child's measurements. The result is the child's comfort and a very harmonious picture.

Nothing is more incongruous than to see large, massive furniture in a nursery or child's room. On the other hand, the effect of a nursery furnished in the manner we now describe is most delightful.

It is made extra stout to stand the severest usage, and not expensive.

*Say "BOCK" in any
 tobacco store all over
 the world,*

And you will get an extra
 fine Havana cigar. But
 say "Bock—Especiales
 de E. & E." and it means
 a special, first choice of

Bock. It is one particular cigar made exclusively for
 Estabrook & Eaton's customers. They come wrapped
 in foil, five in a bundle. Ye Gods! What tobacco.

Instructions to Persons Holding Box Keys.

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be *reasonably sure* there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire. And be sure the key is returned.
6. If you remove from your house or place of business, return the key to the Fire Commissioner's Office without delay.

BROWN S. FLANDERS.

Superintendent.

HENRY S. RUSSELL.

Fire Commissioner.

SEPTEMBER 22, 1903.

DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box—pull the hook all the way down *once* and let go.

Wait *one full minute* for the sound of bells.

Listen for the working of the machinery in box. If you do not hear it pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there, but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door; *when open*, pull hook as in other boxes.

After giving the alarm remain a while, *if possible*, by the box, so as to direct the firemen to the fire.

SECOND ALARMS—No person will give alarms for the same fire (after the first alarm has been given), *without an order from the Chief*, or the officer in command, and the person so ordered will be *sure* to go to the *same* box from which the first alarm was given, and report same to the Chief. If, *however*, a fire breaks out while another is burning in a different section of the city, a *second* alarm can be given by a Police Officer without waiting for an order from a Department Official.

Sub Stations marked with an asterisk (*) are International Money Order

Offices.
Domestic Mail Matter intended for delivery through the Stations, should bear the name of the station, with the name of the State (Mass.) added.

Foreign Mail Matter intended for delivery through the Stations should bear the name of the Stations and the words "Boston, Mass."

Letters can be registered at any of the above Stations.

Avoid addressing letters "Boston Highlands," "Highlands," "B. H. District," "City," or Old or New Wards, Boston; but as above.

Never send money or any other article of value through the mail, except either by means of a money order or in a registered letter. All classes of mail matter can be registered.

It is desirable that letters be addressed to street and number when known, and by providing letter boxes at places of business and private residences, much delay in the delivery of mail matter may be saved.

To insure a letter being forwarded in the mails, it must have not less than one full rate in postage stamps affixed.

All complaints should be made in writing, and envelopes of missent or delayed letters should be sent to the Postmaster.

U. S. WEATHER BUREAU.

Explanation of Cautionary and Storm Signals.

A RED FLAG with a BLACK CENTRE, either on the Lakes or seaboard, indicates that the storm is expected to be severe.

The penants displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light will indicate easterly winds and a white light above a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests and are displayed at the principal ports of the Great Lakes and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154 P. O. Building; open to public from 9 A. M. to 4 P. M.; visitors cordially invited. Telephone, No. 491 Main and Back Bay 1788; service 9 A. M. to 5 P. M. and 8 to 10 P. M.

HURRICANE WARNINGS.

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts,) the Weather Bureau has adopted a special signal called the hurricane signal, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used.) This signal will be displayed at all Weather Bureau offices and wind signal display stations on the Atlantic and Gulf coasts and the Great Lakes and also at numerous other points at sea and lake ports and along the coasts mentioned.
